

REMARKS

Claims 24 and 25 remain in the referenced application. Claims 27-29 have been added.

Applicant wishes to thank Examiner Avery for the courteous and helpful telephone interview conducted April 14, 2004. During the interview, it was discovered that independent claim 22 and dependent claims 23 and 24 were mistakenly canceled in Applicant's Filing Under 37 C.F.R. §1.53(b). Responsive to this mistake, it was agreed that Applicant would submit a preliminary amendment adding claims covering the subject matter of the canceled claims.

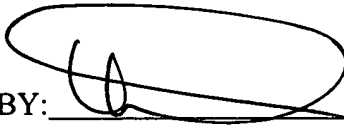

Applicant thus presents herewith this Preliminary Amendment adding claims 27-29 which correspond to canceled claims 22-24. The dependencies of claims 24 and 25 have been amended accordingly.

In view of the addition of claims 27-29, Applicant submits the application is in condition for examination and such action is respectfully requested.

Respectfully submitted,
